Education & Training

UNIVERSITY COLLEGE OF NORTHERN DENMARK

AP Degree in Multimedia Design and Communication 2015-2017

Bachelor Degree in Web Development 2018-2020

- Whilst in Multimedia Design degree i have learned mostly about the process and the digital concept before starting to build a website including research, mock-ups, wire-frames, testing and how to build a website with HTML, CSS and basic C# for the back-end part
- In Web development i have further solidified my skills and knowledge in the back end and at the time of writing my CV i have taken a course in JavaScript Frameworks which involved working in Angular/Firestore and building a Progressive Web App for Physiotherapists and patients that suffer from Vertigo Symptom.

ELENA CUZA NATIONAL COLLEGE

September 2011 - June 2015

Intensive English

- During my High School I have given my best in order to become proficient in writing and speaking English which can be certified by obtaining the Cambridge Certificate in Advanced English.
